

A NYC bus driver shared that new cameras were installed on every city bus. Effective 11/29/16 every time the driver opens the door the camera flashes, and if you so happen to be parked or even standing by a bus stop it will be a \$250 ticket!!! More so, if you are driving in a bus lane and there is a bus behind you, the driver can click a button to take a picture of you and that will cost you \$350!!! The city is not notifying the public about this.
