

TLC will soon be issuing a new, combined license called the TLC Driver License

NEW

TLC Licenses to Operate Taxis and FHV's

All of these licenses are valid until the listed expiration date for operating any of the following vehicles:

- ✓ Yellow Taxi
- ✓ Green Taxi
- ✓ Livery
- ✓ Limousine
- ✓ Black Car

All of these licenses now have the same privileges.

All new licenses to operate these vehicles will be TLC Driver Licenses (top).

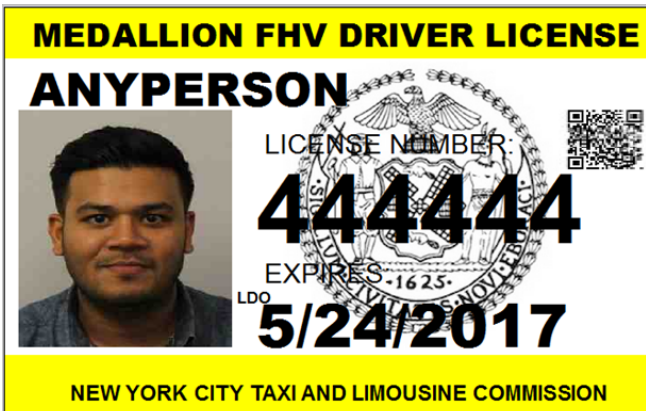

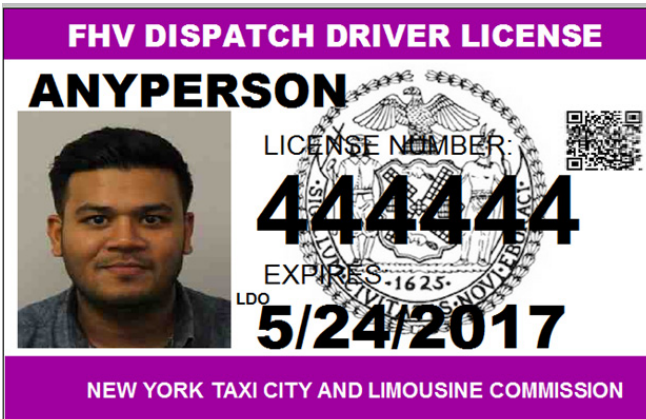

However, many drivers will continue to use older, valid licenses (bottom three images) until they expire.

As of October 26, 2016, all summonses for these licenses will be written under new **Chapter 80** of TLC rules.

These licenses are not valid for operating a paratransit vehicle or commuter van.
